

New York Climate Week

SAVE THE DATE

Philanthropy 2.0 is already here
Financing ocean conservation at scale, today

Philanthropy is the spark, not the engine.

Join **Blue Alliance, BNP Paribas, Bloomberg Philanthropies, the Global Fund for Coral Reefs, Trafigura Foundation and UBS Optimus Foundation** for an invitation-only roundtable breakfast during **New York Climate Week**. We'll take you inside a financing mechanism that keeps marine protected areas running on revenue and investment, rather than on recurring grants.
